

DR. ABHISEKH SAHA

Assistant Professor

Department of Civil Engineering

Malaviya National Institute of Technology Jaipur

Jaipur-302017, Rajasthan

Phone: (+91)-7896880405

Email: abhisekh.iitg@gmail.com; abhisekhsaha.ce@mnit.ac.in

EDUCATION

- Doctor of Philosophy (Ph.D.), Department of Civil Engineering, Indian Institute of Technology Guwahati (July 2016 – November 2021)
- Master of Technology (M.Tech.), Geotechnical Engineering Division, Department of Civil Engineering, Indian Institute of Technology Guwahati (July 2014 – June 2016)
- Bachelor of Engineering (B.E.), Department of Civil Engineering, Indian Institute of Engineering Science and Technology Shibpur (July 2010 – June 2014)

PROFESSIONAL EXPERIENCE

- Assistant Professor, Department of Civil Engineering, Malaviya National Institute of Technology Jaipur, Rajasthan, India (December 2023 – till date)
- Assistant Professor, Department of Civil Engineering, Techno India University, Kolkata, India (March 2022 - April 2023)

RESEARCH INTERESTS

- Unsaturated soil concepts in practice
- Value addition to waste materials
- Climate-resilient soil infrastructure
- Sustainable geotechnics
- Behavior of water absorbing polymer (WAP) amended soils

ACHIEVEMENTS

- **Best paper award**, North East Students Geo Congress (NESGC) on Advances in Geotechnical Engineering (2016), National Institute of Technology, Agartala.
- **Third position**, Bio-NEST NIPER-Guwahati Bio-Innovation challenge, organized by Bio-NEST NIPER-Guwahati Incubation Center.

PATENT

- **Saha, A.**, Sekharan, S. and Manna, U. Transformation of fly ash into non-toxic, high water absorbing polymer for drought management. Indian Patent no. 473902 granted on November 28, 2023.
