

A cleanliness drive was organized by National Service Scheme (NSS) -MNIT, Jaipur on September 10, 2016, under the aegis of 'Swachh Bharat Abhiyan' in the campus during the morning hours 8:00- 10:00.

The faculty coordinator was Dr. H. P. Tiwari and Dr. Nitin Gupta along with their whole NSS team assemble near Dispensary around 7.30 AM. The event saw participation of more than 110 B.Tech. and M.Tech. students who was registered in the NSS wing of MNIT Jaipur.

All the participants were provided with masks, gloves, brooms and dustpans to carry out the necessary cleaning at different locations within the campus. The students were divided into three groups and sent to various places along with the required equipment. The first group went to the Government Primary School and removed the waste from its premises. The second group cleaned the opened Laboratories and Corridors of the various department. They also lent a hand in cleaning the corridors and nearby areas of various other Departments of the Institute.

The third group undertook cleaning in and around the Dispensary of our Institute thereby collecting and dumping the plastic waste including bottles, wrappers, etc. The drive was a huge success and the response of the participants was very appreciable and inspiring. We hope to organize more such activities in near future.
